RE: Olde Salmon Falls Corporation, d/b/a Damart

Dear Ms. Marcotte:

Please be advised that this office represents Olde Salmon Falls Corporation, d/b/a Damart concerning a recent inquiry by the United States Environmental Protection Agency. As part of this inquiry, EPA has requested Damart to provide copies of all liability insurance policies issued to or on behalf of Olde Salmon Falls Corporation, d/b/a Damart from 1960 to the present.

Bill Rushforth of Damart has been in contact with Mary Ann Colby of your office to request the above-referenced information within your possession or control. To ensure the completeness of Damart's response to EPA, would you please provide to me copies of all such insurance policies, including any issued through your office, or any predecessor insurance agency including the Dunfey Insurance Agency or Group.

With respect to each policy EPA has requested, I would ask that you provide, the name and address of each insurer and the insured, the amount of coverage under each policy, the commencement and expiration dates for each policy, whether or not the policy contains a "pollution exclusion" clause, and whether the policy covers or excludes sudden, non-sudden or both types of accidents.

Enclosed please find an authorization for release of this information to this office executed by Damart. I would appreciate your prompt attention to this matter. Please provide us with a bill for any copying charges.

If you have any questions on these matters, do not hesitate to contact me.

Very truly yours,

RE: Olde Salmon Falls Corporation, d/b/a Damart

Dear Mr. De Stefano:

Please be advised that this office represents Olde Salmon Falls Corporation, d/b/a Damart concerning a recent inquiry by the United States Environmental Protection Agency. As part of this inquiry, EPA has requested Damart to provide copies of all liability insurance policies issued to or on behalf of Olde Salmon Falls Corporation, d/b/a Damart from 1960 to the present.

Bill Rushforth of Damart has provided me with your summary of Damart's insurance coverage from May 1981 to the present. While this summary is extremely helpful, to ensure the completeness of Damart's response to EPA we require copies of the actual above-referenced insurance policies within Blake's possession or control.

Enclosed please find an authorization for release of this information to this office executed by Damart. I would appreciate your prompt attention to this matter. Please provide us with a bill for any copying charges.

If you have any questions on these matters, do not hesitate to contact me.

Very truly yours,

*Matthew T. Brock/gmc*
